<sup>1</sup> There is an additional \$500 tuition charge for Non-SDA students (\$50/month). The tuition fee listed includes class dues of \$150. **Note that the published tuition and fees are approximately \$10,000 per year less than the actual cost for a student to attend Campion Academy. The Rocky Mountain Conference and Campion Academy are already significantly subsidizing the fees in order to make it possible for students to attend.**

<sup>2</sup> The dorm fee shown is for double occupancy. Additional \$500/year fee for single occupant room.

<sup>3</sup> The entrance fee is an annual **Non-Refundable** fee which is charged when the student enters school. (This provides funding for items such as campus nurse, library, student association activities, yearbook, dormitory clubs, campus ministries, village banquets, etc.)

<sup>4</sup> The technology/electronic book base fee is an annual **Non-Refundable** fee, which is charged to all students when the iPad is issued for the school year. The additional fees for new sophomores, new juniors, and new seniors (students not immediately returning from the prior year) will be prorated monthly for 10 months. (These fees include the rental fee of an Apple iPad and available electronic books and/or basic applications required for classes. The fees listed above include the base fee of \$375 for all students, as well as additional fees for incoming new students in grades 10, 11, and 12. Graduating seniors will be able to keep their iPad. Damaged, lost, or non-returned iPads will have additional fees charged. Books not available electronically may have additional costs involved.)

#### Finance Charges

All accounts are due within ten days of the billing date. If the account is not paid in full by the due date, a one and a half percent (1½ %) monthly finance charge will be applied (annual percentage rate of 18%).
