Dear Parent,

Thank you for your interest in Campion Academy Visitation Days. We have some great things planned for our visitors—Contests with scholarship awards of \$50 - \$300, giveaways, tours, great food, entertainment, amazing spiritual worships throughout the two days, and much, much more. Your son/daughter will not want to miss this exciting time. The date for the year's big event is **April 12 & 13, 2019**.

If your son/daughter will be attending Academy Days without you, we need you to fill out and return the following Parent Consent and Medical Release Form.

If attending with a school group, please return this form to the Sponsor (school staff member), who will be taking the group.
